Many thanks to NAGR-National Agency for Green Revolution for organizing such a useful event. We believed that in the post-Covid period, the rate of child marriage in Bangladesh is increasing day by day. Santal society is not out of this. Also, drug addiction is increasing at an alarming rate among the Indigenous youth. We believe that raising social awareness can be one of the tools to solve these problems. Santali Band SENGEL is voluntarily involved in "SANTALI SEREN AKHRA" which is organized in Indigenous villages at the field level with different types of social awareness initiatives including

prevention of child marriage, anti-alcoholism, education etc. The Santali Band SENGEL considers such acts to be part of the band's ethos. we encourage participation in such social awareness activities.

thanks.
